Dear Lynn Liu:

I am pleased to advise that the Lieutenant Governor of British Columbia, has accepted your kind invitation to become Honorary Patron of the Canada International Arts and Music Society. You may indicate this Patronage in your various printed or digital materials as follows:

Under the Distinguished Patronage of: *or* Honorary Patron:

Her Honour
The Honourable Wendy Cocchia, CM, OBC., LLD (Hon)
Lieutenant Governor of British Columbia

Your organization will be added to the list of Honorary Patronages on our [website](#). We invite you to highlight Her Honour's patronage to feature this new relationship and to further spotlight the good work of your organization to the community.

Her Honour would appreciate receiving invitations to attend your events or opportunities for engagement with your community programming. You may submit invitations or inquiries for engagements [here](#) on our website. We would be delighted to receive your periodic newsletters, reports as distributed to the membership, annual reports, or news of changes in the Board or Executive.

As the Lieutenant Governor should always be dissociated from fundraising activities, please avoid reference of Her Honour's Honorary Patronage in activities, printed and online materials, social media and media releases relating to fundraising.

Her Honour has directed me to extend, on her behalf, her best wishes.

Sincerely,

A handwritten signature in blue ink, appearing to read "Jerymy Brownridge".
